RNB DANCE & THEATRE ARTS

INFORMED CONSENT AND ACKNOWLEDGEMENT OF RISK

Dear Parents and Guardians of RNB Students,

This Informed Consent and Acknowledgement of Risk is intended to provide you with an overview of our programs and activities, together with the benefits, risks, and responsibilities of your child participating in our programs. The safety of students is the first priority in planning any physical activity such as dance and we work to design our programs so that they will challenge our students at a level that matches their abilities. It is important that parents and guardians understand the risks associated with our programs, freely accept them and support our students' involvement in all facets of their dance experience with us.

This Informed Consent and Acknowledgement of Risk form is an agreement between the custodial parent or guardian of the student named below, the student and RNB Dance & Theatre Arts. The intent is to inform you of the activities and expectations of the program so that the choice to participate in our dance programs is made freely and with understanding of the associated benefits, risks and responsibilities.

This is not a waiver and signing this form does not and will not waive your child's legal rights.

Description of Program

RNB dance classes are suitable for children and require significant physical activity, including activity that contributes to cardiorespiratory endurance, muscular strength, muscular endurance, flexibility and balance.

- "Please visit www.rnbdance.ca for more information"

Explanation of Risk

As with any physical activity such as dance, there are inherent risks involved. The activities offered as part of our dance program are designed to pose appropriate challenges for our students so that they will continue to benefit and improve from their dance training. Both the teachers and RNB Dance & Theatre Arts recognize that their role is to act at all times as a reasonable and prudent instructor and supervisor, and that the physical safety of the students is the primary concern of the teachers. The benefits of participation in our programs include developing self-confidence, teamwork and leadership skills. While RNB Dance and Theatre Arts and its teachers strive to manage risk, it is neither possible nor desirable to eliminate all risk.

Some of the risks of our programs include: slipping, falling, injury from dance related movements and choreography, social or economic losses, loss or damage of personal property, permanent disability or fatality.

For more information about the risks described above or pertaining to any other aspect of our programs, please contact Hayley Walker or Brianna Giles.

Agreement

Participation in RNB Dance and Theatre Arts programs requires the student to:

- Share the responsibility for the safety of the student and others during all activities;
- Follow the instructions and directions of teachers; failure to do so may result in removal from the program; and
- Acknowledge the risks outlined above.

This Agreement is governed by and interpreted in accordance with the laws of the Province of British Columbia.

Yours truly,

RNB DANCE & THEATRE ARTS

Hayley Walker
Principal and Artistic Director

I have read and understand the text above.
